www.langermhi.com

Since 1984 we have been serving the material handling needs of businesses in Southwestern Pennsylvania and the surrounding area...join our customer base and you'll experience expert service with a personal touch. We listen, we hear you, and we help you...it's just that simple.

For all your material handling needs...we've got solutions.

- **SALES** - Extensive product line including new and used front loading, side loading, and multi-directional forklift trucks, industrial batteries & chargers, forklift attachments, pallet jacks, rack and shelving, dock equipment, rolling ladders, self-dumping hoppers, strip doors and the list goes on... **Financing is available...call for a great rate quote.**
- **SERVICE** - Factory-trained technicians at your service. We offer full on-site road service, shop service, tilt-bed hauling, periodic maintenance contracts, and a 5-hour response time on emergency service calls. Our labor rate is one of the lowest in the region and repair estimates and written quotes can be provided upon request.
- **PARTS** - You demand it, we'll supply it. We stock over 18,000 parts at our facility and can supply you with parts and accessories for all makes and models of forklift trucks.
- **RENTALS** - Short or long-term rentals to satisfy all your projects. We offer daily, weekly, and monthly rates; LP Gas, gasoline, and electric trucks; and cushion, pneumatic, and narrow aisle trucks. Delivery and pick-up service is provided or scheduled customer hauling is permitted.
- **TRAINING** - O.S.H.A. required forklift safety training for operators and trainers to help our customers avoid costly fines and reduce the risk of personal injury and product damage. Certificates provided upon successful completion of any one-day course.

Call today...we're here for you.

We keep you moving in the right direction.
